Go to www.smartstreet.com

- Click on Online Payments (top left hand corner)
- This will bring you to the next page that offers you 3 different payment options. Typically if you are paying through your checking or savings account, you will chose option 2.
- This will bring you to another page where you will put in additional information. In the first blank, type Exclusive Realty, this will identify who you are paying.
- The next section will ask for your account number. You will put in your current address of the home you are renting or "app fee" if you are paying an application fee.
- Follow the page down to complete the transaction. Make sure you keep a copy of your email confirmation so that you will have proof that you paid in case there is ever a discrepancy.
